Welcome

A big warm welcome to the latest instalment in our series of dance showcases - Resonating Happiness!

We are very lucky to have a group of such talented people and we have been incredibly busy music cutting, sewing costumes and rehearsing since January (or before!). We think we've put together a real treat for you to enjoy.

We have had a busy time over the past few months, not just at home in the studio but also taking our work to the outside world. We joined Party in the Park and 'In the Fullness of Time' as part of Woking's 'H. G. Wells' celebrations, as well as hosting a 'Best in Woking' Gala dance evening, raising much needed funds for The Petersen's Children's Fund.

At the studio we have been building up our class offering. We are now proud to offer twenty classes, across a range of genres and levels. And with our team of fantastic teachers on board we are always looking forward to how else we can boost and optimise our classes.

We have recently trailed a new Repertoire Syllabus for the Royal Academy of Dance, and our dancers came through with flying colours (lots of Distinctions!). Congratulations to everyone, especially those taking their first ever dancing examination.

We are so proud of our community - now reaching 150 regular members - brought together by a shared enjoyment of dance and creative movement. We share so much with our studio family - engagements, weddings, new arrivals, welcoming back distant members and saying farewell to departing ones. Every week brings something new and we hope our love of dancing resonates through what you see tonight.

We hope you enjoy the evening and thank you for taking the time to support us!
